

## Nicole Garcia

**Nicole Figueiró Garcia** is Finance Business Partner for Active Ingredient Manufacturing and a Director of Vapi Bayer Limited since September, 2019. She was born in Sao Paulo, Brazil and there completed her studies of Electrical Engineering and Master of Business Administration.

Nicole joined Bayer Material Science in Brazil in the year 2003 as a Trainee and later worked in several positions in Supply Chain and Controlling. In 2009 she started working in Bayer Crop Science Brazil as Latin America Regional Controlling Consultant. In 2012 she moved to Germany and worked almost 4 years in Dormagen as Plant, then Site Controller. Following that assignment she decided to stay in Germany and assumed the Value Flow Management for Product Supply.

Nicole lives with her partner and enjoys biking, hiking and reading.
