Dear Sir / Madam,

Sub.: Intimation pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015.

We would like to inform you that in the wake of the global COVID-19 pandemic, and in compliance with the directives of Government of India/ State Governments, Bayer CropScience Limited (the Company) has adopted several measures to ensure the safety and wellbeing of all its employees, including providing IT infrastructure and connectivity to enable them to work from home. Across our office and site locations, the Company has implemented heightened hygiene, health and sanitation measures and is promoting social distancing.

In view of the 21-day nationwide lockdown announced by the Government of India (GOI) with effect from March 25, 2020, to control the spread of COVID-19, the Company's operations related to manufacturing, supply chain, warehouses, and offices are disrupted (except for certain essential services). The impact of COVID-19 on the Company's operations cannot be fully ascertained at this point.

The Company produces and supplies essential agricultural products such as high-quality seeds for rice, cotton, corn, mustard, millet, etc. and crop protection inputs for safeguarding crop health. Based on the guidelines issued by the GOI, various ministries/ departments of State Government to facilitate continuation of essential activities including agricultural operations despite the lockdown, the Company is working with relevant government authorities to enable continuity of operations at some of our manufacturing plant, seed processing and distribution centers.
